

DONJOY[®]

The X-Act ROM Knee Lite

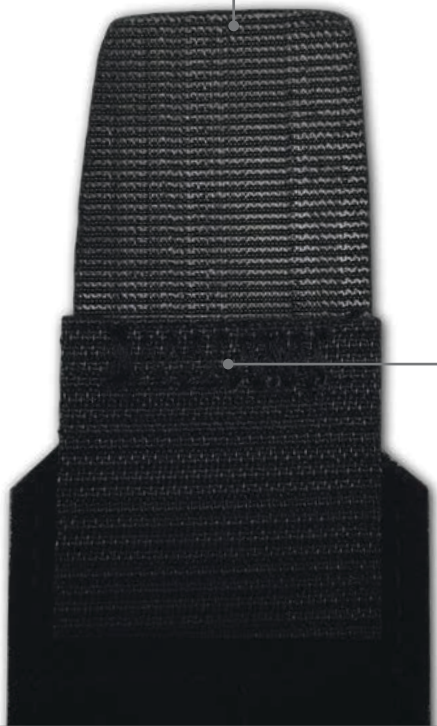

SLEEK AND SENSIBLE. SIMPLIFIED.

SLEEK AND SENSIBLE. SIMPLIFIED.

The new, sleek X-Act ROM™ Lite is your sensible solution to post-op knee bracing. This lightweight, easy-to-use brace features the durable X-Act ROM hinge, full circumferential foam, and an easy-to-adjust strap system. The simplified telescoping uprights can fit a variety of patients and can be contoured to the patients' leg to provide varus and valgus support.

Curved top for easy attachment and detachment

"Y" Velcro strap end for easy adjustments.

Modified strap ends for extra strength and ease of use.

X-ACT ROM HINGE

Durable aluminum hinges provide precise protection and range of motion with extension settings from -10° to 90° and flexion settings from -10° to 120°

EASY TO USE STRAPPING SYSTEM

Velcro strapping for quick and easy application. Strap extension kit provided to fit a variety of patients.

ADJUSTABLE UPRIGHTS

Easy Push Button System has telescoping adjustability between 18in-25.5in (46cm-65cm) can also be bent to provide varus/valgus support.

FULL CIRCUMFERENTIAL FOAM

Cool, breathable foam provides a comfortable fit to patients' leg and helps minimize migration of brace.

The X-Act ROM is DonJoy's lightest post-op brace, allowing a comfortable, no-slip fit with precise protection during healing.
