

# Spine Bracing System EXOS FORM™ II 626

## Exos Form II Spine Bracing System

Exos Form II is designed with patented thermoformable **VST-X™** material for true customization, **ComfortCORE™ Foam** that contours to the patient's body, **Diamond² Grid™** construct for a more durable and longer-wearing brace and **Boa®** Technology's advanced closure system. The end result is a spine brace that delivers superior decompression and support, a quick and easily customizable fit, and provides patient comfort and satisfaction by reshaping form, fit and function.

### Exos Form II 626

The Exos Form II 626 provides relief from mild lower back pain. The Exos Form II 626 provides superior sagittal control and support from L-1 to L-5.
